About EM Fence

Engtex Metals Sdn Bhd fence product is an innovative fencing system. Our products are manufactured to MS 144 (Grade 500) specification. We are one stop solution provider; EM Fence comes together with pre-welded wire mesh panels, post clips, bolts and nuts and steel posts. EM Fence can be custom made with different coating finishing such as hot dipped galvanised (BS EN ISO1461:1999), colour powder coatings and etc.
